## What's Up

VYSA is gearing up for the start of our upcoming Fall Season. It is our intent to field/support a team in every even age bracket this winter and registrations have been coming in for multiple teams. We would like to say "welcome" to our new families and "welcome back" to our returning players.

Exciting changes are ahead of us in the 2011-2012 season. We are

committed to continuing to foster an atmosphere where we focus on building the character and integrity of our athletes while developing their passion for the sport. We have partnered with two other clubs to work for mutual success and greater player development.

**REGISTRATION:** has been rescheduled for Oct 8<sup>th</sup> & 15<sup>th</sup> from 9-4 at Ross Corners. The first 100 paid registrations will receive our free new performance jersey. All players receive a certificate to **Chucksters**. We will highlight our other sponsors in the next issue.

**"When you have integrity- nothing else matters."

## On The Training Front

It is with great excitement that we welcome new coaches to our VYSA family this year. We will continue to feature them in upcoming editions. For this issue, we would like to do a "shout out" and welcome **Bill Stepanovsky** as a VYSA coach. Bill is a highly respected coach from our area and the current Head Coach for the Vestal HS girls.

We are excited that **Matt Wood** will join our coaching staff as well to run our U8 program. Matt has significant

experience in running children's programs and coaching at the Varsity and Travel Soccer level. In addition to Matt, teams are in a position to utilize Chris Riley for additional training. We have provided a way for teams to get **expert conditioning training** on a weekly basis as another option from which teams may choose.

Specialty clinics are being finalized with experts in soccer including a former ODP trainer and will be announced soon.

Coaches should contact the Edge or the Dome to finalize their practice and training times.
